

Please leave WI's no call law alone. As someone who has a busy schedule, I enjoy quiet time at home. Even tho caller ID makes it possible to screen calls, I resent the intrusion into my home when I am trying to enjoy some peace and quiet. If I have declined an offer from someone, I do not want to be harrassed continually to rethink my decision. WI's law was a public mandate and I don't believe it should be tampered with. As a citizen, I am demanding my rights be upheld. I do NOT want to be hounded by telemarketers and other businesses I no longer deal with. Thank you.
